CHÂTEAU

St JACQUES d'ALBAS

Domaine d'Albas – white

2015 – IGP Coteaux de Peyriac

APPROACH

90 ha domain with 26 ha of vines. Clay and sandstone soil, benefiting from a semi-arid Mediterranean climate. Average age of vines > 30 years.

Vineyard managed by the Cousinié Method (organic fertilizers and prescribed mineral spray applications, after soil and leaf analysis) and in conversion to organic label. Soil management excludes use of chemical weed killers.

Low yields (30-40 hl/ha). Mechanical harvesting and 100% destemming. Grapes picked early morning, directly pressed, cold pre-fermentation and tank aged. No oak.

BLEND

Vermentino	45%
Viognier	45%
Roussanne	10%

ANALYSIS

Alcohol	13% vol.
Glucose Fructose	0.46 g/l
Total acidity	4.37 g/l
Sulphur	63 mg/l
pH	3.22 mg/l

TASTING

This wine is sourced from young vines, vinified in stainless steel tanks to preserve purity of fruit. Weighty & aromatic, long on palate. For aperitif, with fish or white meat.

BOTTLE

Bottling: March 2016
Number of bottles: 10,000
Closure: agglomerated cork
Lot N°: L16062 - Barcode: 3 7601 4209 805 7
